

Collaborators

Our sourdough bread is made at **Freedom Bakery**; a Community Interest Company based at HMP Low Moss, near Glasgow, training people in prison in artisan baking with the intention of finding an industry-related career post-release. They were the first social enterprise in Scotland to set-up in a prison.

Our veg comes from **Locavore, Pillars of Hercules Organic Farm, Organic World** and **Roots and Fruits** - depending on the seasons.

Our dry goods are sourced from **Greencity Wholefoods Co-operative** in Glasgow.

Our cheese comes from **JR Fine Foods**, another local enterprise specialising in local Scottish cheeses, such as Dunlop Dairy in Ayreshire, offering from a range of 95 Scottish cheeses!

Our jam comes from **In A Jar**, a social enterprise based in Edinburgh providing employment for people with special needs.

Our local coffee option comes from the Glasgwegian roastery **Papercup** and our fairly-traded, organic coffee comes from **Puro**, who support the restoration of rainforests in their suppliers regions.

Our tea comes from **The Wee Tea Co.** based in Dunfermline.
